

WHO ARE WE?

We are a group living in the Racecourse area in south-east Ipswich who are giving time to help create a positive change for local residents.

We are the channel between the local community and the main decision-makers in Ipswich, such as Ipswich Borough Council, Suffolk County Council and Suffolk Police and can put your views forward about what is needed in the Racecourse area. We are committed to helping to make the Racecourse area a safer, cleaner and more positive place to live for all of you.

WHY?

There is a strong perception that

- There are limited opportunities for young people and families
- People are excluded from key decisions that affected their lives
- There is limited access to information about what's on in the area
- A lack of support for parents to cope with issues around debt, parenting, confidence, job opportunities is holding people back
- People want to feel safe in the area

We are looking for residents to help shape projects and events which will make a real difference. We would love to hear from you about how you can get involved
