

Part B Transfer form

Application to transfer a permit

Local Authority Pollution Prevention and Control
Pollution Prevention and Control Act, 1999
Environmental Permitting (England and Wales) Regulations 2016

Introduction

When to use this form

This environmental permitting regime is known as and referred to as Local Authority Pollution Prevention and Control ('LAPPC'). Installations permitted under this regime are known as Part 'B' installations. Use this form if you already have a 'Part B' permit and wish to transfer the permit in whole or in part to another person ('the proposed transferee'). You may apply to transfer the whole or part of your permit. Under the Environmental Permitting (England and Wales) Regulations 2007 ('the EP Regulations'), both the operator and the proposed transferee must jointly apply to have the permit transferred.

Before you start to fill in this form

You are strongly advised to read relevant parts of the Defra general guidance manual issued for LA-IPPC and LAPPC, republished in 2008 and available at <http://www.defra.gov.uk/environment/ppc/localauth/pubs/guidance/manuals.htm>. This contains a list of other documents you may need to refer to when you are preparing your application, and explains some of the technical terms used. You will also need to read the relevant Process Guidance note. The EP Regulations can be obtained from The Office of Public Sector Information, or viewed on their website at http://www.opsi.gov.uk/legislation/about_legislation.htm.

Which parts of the form to fill in

You should fill in as much of this form as possible. The appropriate fee must be enclosed with the variation application to enable it to be processed further. When complete return to:

Ipswich Borough Council, Grafton House, 15-17 Russell Road, Ipswich, Suffolk, IP1 2DE

Alternatively, email to: environmental.health@ipswich.gov.uk

Other documents you may need to submit

You must submit your existing permit with this form. There are number of other documents you may need to send us with this application to transfer your permit. Each time a request for a document is made in the form you will need to record a document reference number for the document or documents that you are submitting in the space provided on the form for this purpose. Please also mark the document(s) clearly with your permit reference number and the name of the installation.

Using continuation sheets

In the case of the questions on the form itself, please use a continuation sheet if you need extra space; but please indicate clearly on the form that you have done so by

stating a document reference number for that continuation sheet. Please also mark the continuation sheet itself clearly with the information referred to above.

Copies - *not relevant for e-applications*
