

Swap Your Home with HomeSwapper

Looking to move? HomeSwapper is the UK's largest mutual exchange platform and it's completely free for our tenants to use.

HomeSwapper connects you with over 500,000 tenants across the UK who are also looking to swap their home. With 230,000+ live adverts and powerful search tools, you can find the right match in the right location.

Key features:

- Free to register and use, 24 hours a day, 365 days a year
- Automated matching — we'll email you when homes matching your criteria become available
- MultiSwap — create swap chains to increase your chances of a successful move
- Instant messaging — chat directly with other swappers
- Free mobile app — search and manage your swap on the go

How to get started:

Visit www.homeswapper.co.uk, click 'Register', and follow the steps. It only takes a few minutes.

For help, contact the HomeSwapper Help Desk at tenants@homeswapper.co.uk (Monday–Friday, 9am–5pm).

HomeSwapper is provided by MRI Software — a trusted technology partner to housing providers across the UK.
