Meetings will alternate between Tuesday and Thursday evenings and be held at Paul's Social Club.

Appendix A – Sections 1, 2 & 5 of the Pride in Place Plan

From Pride in Place Programme : 10-year vision content checklist - GOV.UK

Section 1: The 10-year vision

[Guide 250-500 words]

Short vision statement for your place over the next decade:

- What will the neighbourhood look and feel like?
- How will life be different?
- What will success look like?

Section 2: Place and people

[Guide 500-750 words]

Each place will have its own interpretation of what is core to the identity of the area, and you should adapt the following suggestions according to what matters to your place.

- You may wish to include a short description of your area
    - Its geography; history; identity; and story so far
- You must include a map of the agreed boundary
    - This must match the correct geographic boundary for your place, as agreed in your Neighbourhood Board and Boundary submission

Section 5: Priorities for change

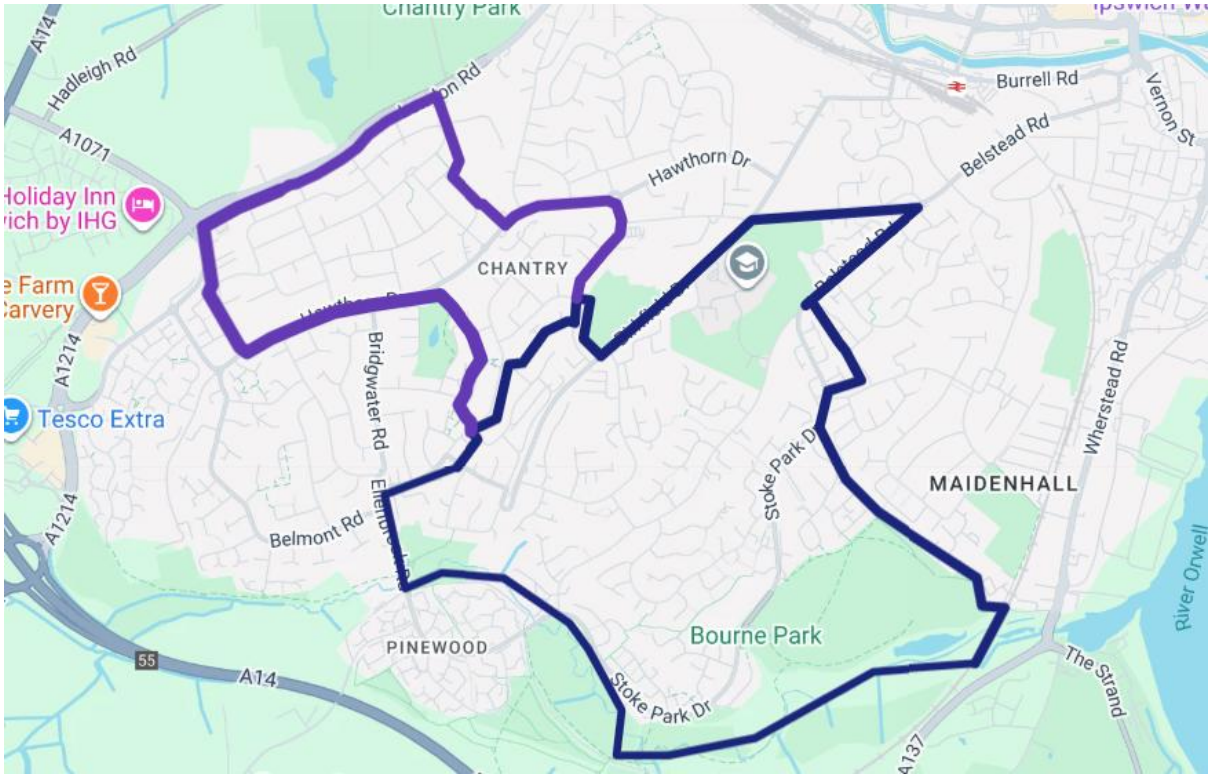

[Guide 500-750 words per priority]

You should include details of what overarching themes you wish to prioritise, as identified by your community engagement and broader evidence base. For each priority, consider:

- Why does it matter?
    - What challenge or opportunity is this priority responding to?
- How did residents shape this priority?
    - How did community engagement influence this priority and your proposed approach?
- What does success look like?
    - How will residents, businesses or communities experience the neighbourhood differently if this priority is successfully delivered?
- What is your approach?
    - What interventions, actions, or investments will contribute to achieving this priority?
