Dear Sir/Madam

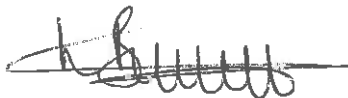

Re: Cemex Materials Ltd, Portman's Walk, Ipswich, IP1 2DW

Further to the inspection of the above installation on 22nd November 2013, I can confirm that the operation was found to be satisfactory and complied with the conditions of the permit. The installation was given a risk rating of LOW.

As discussed during the visit, Defra has recently produced a revised Process Guidance Note for the Blending, Packing, Loading and Unloading and use of Cement (PG3/01(12)). Please find attached a variation notice, accompanied by the varied permit reference EP/10/4/LB, which takes account of changes made in the guidance.

If you have any queries or would like to discuss the varied permit please contact me on 01473 433039.

Yours sincerely

Louise Burns
