

Dear All

The reports for August 1.8.2011 - 31.8.2011 are incorrect
No 2 machine states no of cremations as 7
No 3 machine states no of cremations as 45
where in fact 86 cremations were carried out in that period.

Hi Varuna
Copies of reports will follow asap.
Will show reports to Andrew Hamer/Brian on Monday as its the 3 monthly service.

In the interim I will check the July reports for No`s of cremations recorded to see if they concur.
