Dear Sir/Madam

Re: Johnsons Dry Cleaners, 474 Felixstowe Road, Ipswich, IP3 8SU.

Further to the inspection of the above installation on 5th February 2014, I can confirm that the operation was found to be satisfactory and complied with the conditions of the permit. The installation was given a risk rating of LOW.

As discussed during the visit, Defra has recently produced a revised Process Guidance Note for the Statutory guidance for dry cleaning. Please find attached a variation notice, accompanied by the varied permit reference EP44/4/LB, which takes account of changes made in the guidance.

If you have any queries or would like to discuss the varied permit please contact me on 01473 433039.

Yours sincerely
