LICENSING ACT 2003 - LICENSABLE ACTIVITIES

This leaflet gives advice on what is a licensable activity under the Licensing Act. Broadly it falls into three parts, **alcohol** or **entertainment** or **late night refreshment** (or any combination of these).

ALCOHOL

- 1.Any retail sale of alcohol requires a licence (selling liqueur chocolates does not require a licence although they may not be sold to under 16s.)
- 2.The supply of alcohol by a club or to a member of a club requires that the club must have a Club Registration Certificate. Only qualifying clubs that are suitably constituted, such as working men's clubs, can make use of such certificates. (*Note: see enclosure on **Qualifying Clubs***)
- 3.If you include alcohol as part of a ticket price (e.g. cheese and wine), this is still a retail sale.

ENTERTAINMENT

What is "**Regulated Entertainment**"? – the provision of either Entertainment or Entertainment facilities

Entertainment includes any of the following:

the performance of a play (this means any piece where a dramatic role is acted out);

an exhibition of a film (this means any display of moving pictures);

an indoor sporting event;

boxing or wrestling entertainment;

a performance of live music;

any playing of recorded music;

a performance of dance;

or entertainment of a similar description to live music, recorded music or dance.

(Note: The entertainment must take place in the presence of an audience - however small).

Entertainment facilities are those for people to enable them to take part in an entertainment of the following sort:

making music;

dancing; and

entertainment of a similar description to making music or dancing.

(Note: "*Entertainment facilities*" are, for example, a dance floor provided for customers to use, or the provision of musical instruments)

Entertainment for an audience and/or for profit

For the entertainment or the entertainment facilities to be regulated they must be provided for the public or members of a club (*and their guests*) or for consideration and with a view to profit. This means that the provision of music or the performance of a play to either the public, members of a qualifying club (e.g. Working Mens Club etc.), or members of an association, (e.g. a Parent Teacher Association) where an entrance fee is paid to raise funds, are all licensable activities.

(Note: *The provision of dance lessons is not be considered licensable, but a demonstration of students abilities to the public or to members of a qualifying club would be considered licensable*)

LATE NIGHT REFRESHMENT:

The provision of late night refreshment means the supply of hot food or drink, between 11.00pm and 5.00am to members of the public either on or from any premises for consumption either on or off the premises. Hot means that it has been heated to above ambient temperature or that, after it has been sold, it can be heated on the premises. This means that any restaurant, pub, snack bar, chip shop, 24 hour supermarket, etc supplying hot food after 11.00 pm needs a Premises Licence.

Exemptions:

where hot food or drink is supplied to members of recognised clubs;

someone staying at a hotel or guest house etc; by an employer to employees; or guests of the above.

drinks (not food) from vending machines; free food or drink; food or drink supplied by registered charities.

Exemptions:

1. **Films** shown in museums or art galleries as part of an exhibit, or for the purposes of advertisement or education;
2. **music**, provided it is **incidental** to a non-licensable activity e.g. a fashion show;
3. showing live **television programmes**;
4. entertainment, such as music or a play as part of a **religious meeting** or service or at a place of public religious worship (e.g. nativity plays during a service anywhere, choral works or a play in a church even where not part of a service);
5. **garden fetes**;
6. **Morris dancing** (or similar) or a performance of unamplified live music as an integral part of such dancing; or
7. regulated entertainment provided on **vehicles in motion** (e.g. Carnivals).

Supplementary Information:

Church halls, community halls and similar will require a licence for regulated entertainment but there will be an exemption from having to pay the fee unless the supply of alcohol or late night refreshment is involved.

*Where the public are not invited to an entertainment but a charge is made to **a private audience** (like family and friends) just to cover costs – and not to make a profit - then a licence will not be required. The same would apply where anyone invited to a private performance was not charged for attending the event but was free to make a voluntary donation to a charity.*

*The playing of **recorded music that is incidental** to other activities that are not themselves the provision of regulated entertainment will be exempt. A jukebox in a pub will not necessarily have to be authorised unless, for instance, a dance floor is also provided or it is not incidental. A Disc Jockey playing to a public audience would amount to regulated entertainment and would therefore need to be authorised.*

Games commonly played in pubs like pool or darts would not necessarily need to be authorised under the licence as they are not generally played for the entertainment of spectators. However, if a darts exhibition match or championship were staged for spectators, that would be regulated entertainment.

Schools and sixth form colleges will require a licence to stage regulated entertainment to which the public is invited or where a fee is charged with a view to profit. However, they will be exempt from the fees associated with the authorisation of regulated entertainment where the entertainment is provided by and at the school or college and for the purposes of the school or college

If a **circus or pleasure fair** provides regulated entertainment a premises licence or a temporary event notice will be required.

Guidance for Submission of Plans

Plans are required by statute and regulations and they enable the Responsible Authorities (and sub-committees) to understand clearly the proposals being made. In order to achieve a consistent scale and standard of drawing, are asked to submit plans in accordance with the following guidance, which addresses the specific requirements of the regulations.

1. Size and Scale – Plans should be drawn in ink on durable paper to a scale of 1:100, on paper not less than A4 and not more than A3. The plan should indicate each area of the premises which is required to be licensed. This includes all areas which may be accessed by the public during a licensed event.

2. To comply with the regulations, each plan should be schematic, indicating the positions of:
 - The boundary of the building or premises, and any external and internal walls;
 - The location of exits from the premises;
 - The location of escape routes from the premises (if different from exits);
 - The location of each licensable activity for which the premises is to be used (the licensable activities and a sample legend are attached for information);
 - Where alcohol is to be served on the premises, the location(s) on the premises which are to be used for the consumption of alcohol (include any outside areas);
 - Fixed structures (including furniture) or similar objects temporarily in a fixed location (for example, stage lighting towers, herras fencing, generators, portaloos dance platforms and poles) which may impede the use of exits or escape routes;
 - The location and height of any stage or raised area relative to the floor;
 - The location of any kitchen on the premises; and
 - The location and type of any fire safety and other safety equipment, which may include, but is not limited to:
 - Fire exit doors;
 - Manual fire alarm call point;
 - Fire alarm sounders (and automatic fire detection equipment if appropriate);
 - Fire Exit signs appropriate to premises layout;
 - Emergency lighting units (including internally illuminated Fire Exit signs);
 - Portable fire fighting equipment (fire extinguishers/blankets appropriate to risk);
 - Panic bolts/push bar fastenings;
 - Fire escape keep clear notice;
 - Fire alarm control panel;
 - Self closing device and fire door keep shut notice;
 - Fire resisting construction and fire doors.

A sample legend of fire safety equipment is attached.

3. Further information, which will assist Responsible Authorities in assessing your application, but which is not required under the regulations, is set out below:
 - Site maps – These are not required as a matter of course. Where applicants consider that it would be beneficial to produce one, they should apply a scale and distance that is appropriate to the application and the area concerned.
 - The plan could be accompanied by relevant risk assessments to supplement the details shown.
 - An indication of any fire resisting walls which form part of the internal structure of the building.
An indication of any temporary seating arrangements, indicating their position in relation to the fire exits and escape routes (you may wish to submit a number of alternative arrangements).

Licensable Activities

The regulations also require applicants to show, where the application relates to the sale of alcohol, the proposed location for any consumption of alcohol. You must include any beer garden or pavement area. Any licence granted will only allow you to operate within the areas specified on the plans you submit.

Please use this sample legend to outline the areas that you propose to use for each of the licensable activities. This will assist Responsible Authorities in assessing your application. Two sample plans are attached for your information.

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives.  - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
