Enjoy an outdoor walk

Bourne Park Walking Routes

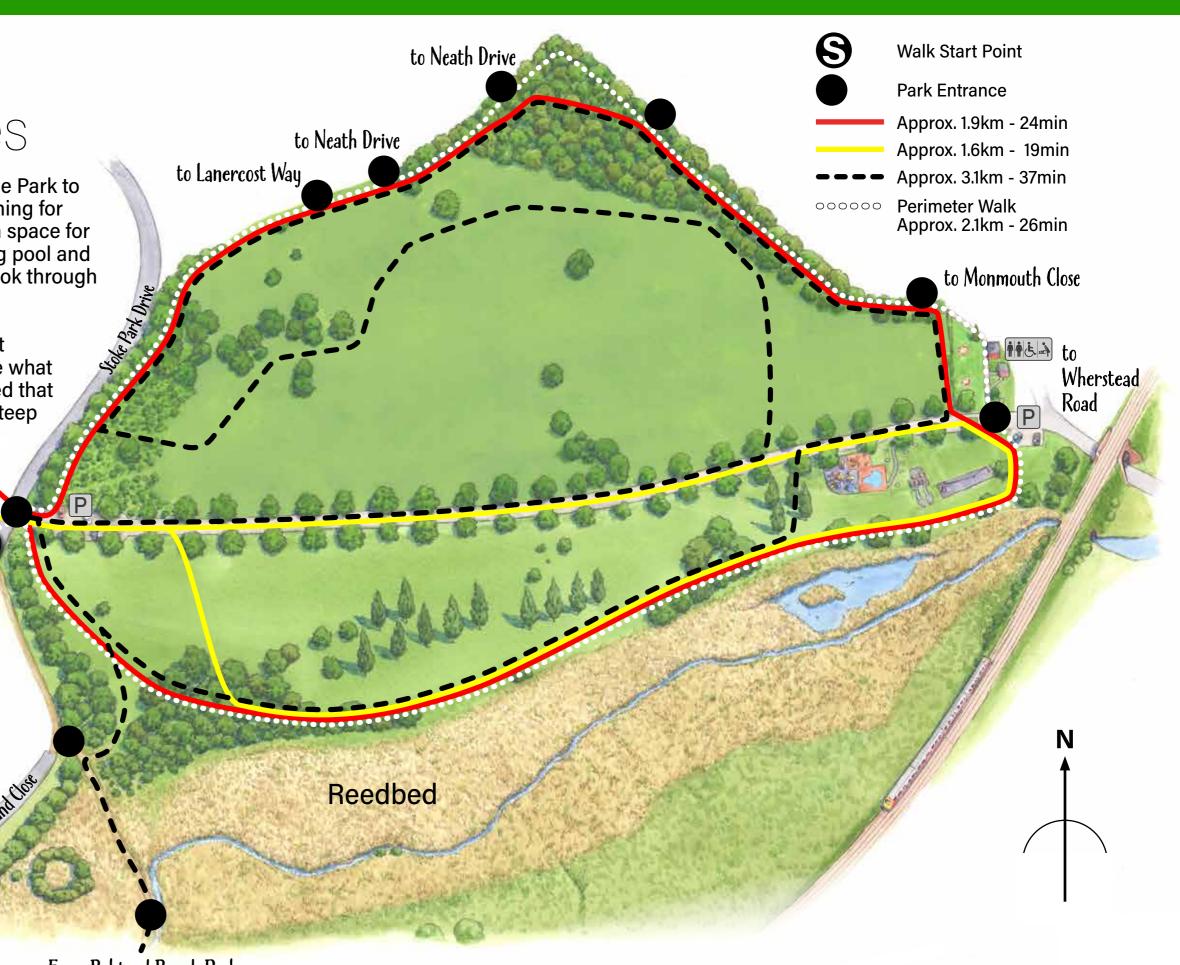

The Green Flag Award winning Bourne Park to the North West of Ipswich has something for the whole family. With plenty of green space for games, a large play area and paddling pool and lovely wildlife walks following the Brook through the reedbed to Belstead Brook Park.

These walks aim to show you the best features of the park so go and explore what the park has to offer. Please be advised that some of the natural paths have wet, steep

and uneven terrain. In the woodland and the wildlife areas to the south of the park, please keep your dog on a lead and keep to the designated paths to avoid disturbing wildlife.

Keep your eyes peeled when looking over the reedbed, you may be lucky enough to see a rare migrating bird like a Great White Egret or a hunting Barn Owl at dusk.
