Dear Mr Sharples

RE: The Environmental Permitting (England and Wales) Regulations 2010 (as amended)

I write following the inspection in relation to your permit. I can confirm compliance with the permit was satisfactory.

The only matter which required action relates to the table of non VOC emissions on page 6 where it refers to a written plan. Following discussion it is understood that you undertake this monitoring 6 monthly so please accept this letter as confirmation of the written plan as being 6 monthly monitoring.

Thank you for your cooperation with the inspection and please do contact me if you wish to discuss any matters

Yours sincerely

David Rowe
