

Application to vote by proxy for a particular election

Voting by proxy

Proxy voting means that if you aren't able to cast your vote in person, you can have someone you trust cast your vote for you. You can use this form to apply to vote by proxy for one particular election or referendum only. In England and Wales you must be 18 or over on polling day to vote.

How do I apply to vote by proxy?

- You must ask someone who is willing and capable to be your proxy and vote on your behalf. A person can only be a proxy for close relatives and up to two other people at an election or referendum. Close relatives are the spouse, civil partner, parent, grandparent, sibling, child or grandchild of the applicant. The person you wish to appoint as your proxy must be 18 or over and registered (or will be) to vote for that election.
- Fill in the proxy vote application form. You must give a reason why you want to vote by proxy, for example you may be abroad on holiday on polling day.
- Make sure you complete all sections of the form and supply your date of birth and signature. You need to give your date of birth and signature on this application form. This information is needed to prevent fraud. If you are unable to sign this form, please contact the electoral registration office.
- Return your form to your electoral registration office. Details are on the front of this form.

Your application form must arrive at the electoral registration office by 5pm, 11 working days before the poll when changing or cancelling an existing proxy, postal or postal proxy vote and by 5pm, 6 working days before the poll when applying for a new proxy vote.

If you are not already registered to vote, your application to register must have reached your electoral registration office by midnight, 12 working days before the poll.

What happens after I've returned this form?

- Your proxy must go to your polling station to vote. If your proxy cannot get to the polling station, they can apply to vote for you by post. They can apply to do this by 5pm, 11 working days before the poll. They can contact the electoral registration office for more details and to request a further application form for a proxy to vote by post.
- Your proxy will be sent a proxy poll card, telling them where and when to vote on your behalf. You should let your proxy know how you want them to vote on your behalf, for example, which candidate, party, or outcome.
- If it turns out that you are able to go to the polling station on polling day, you can vote in person as long as your proxy has not already done so or has not applied to vote for you by post.
