1. Employment is defined as employees plus working proprietors
2. Figures may not add up due to rounding,
3. Sub-regional estimates are based on the latest county and district geography boundaries.
4. District level estimates do not include farm agriculture data due to their unavailability. Therefore table totals may not match tables that include farm agriculture data.

¹ This document was tabled at the Examination Hearing on 23rd March 2016. Please note that the 'Ipswich Area' includes Babergh, Mid Suffolk and Suffolk Coastal, but excludes Waveney, therefore the Waveney figures should be deducted from the Total Ipswich Area figures.
